Financial Statements

On the previous page are the last two fiscal years financial statements for Sierra Camera Club.

Due to the hard work of the North American International Competition Committee during the past two years our finances have turned around.

A huge thank you to Susan Hall for her dedication to the record keeping.

SCC Board

New Gold Rush Format

From Laurie Friedman

Gold Rush is a Chapter of PSA (the Photographic Society of America), and brings together local photographers on a quarterly basis to enjoy a day of photography programs. Gold Rush is changing a bit to offer morning programs, a chance to have lunch together at a nearby restaurant, and then go shooting at local sites related to the morning's programs. Sounds like fun to me!

Our first meeting will be on Sunday, September 23rd at the Escaton-Monroe Lodge at 3225 Freeport Blvd. in Sacramento, with a theme of Wall Art in Sacramento. There is parking at the Lodge, as well as on surrounding streets and behind the Lodge. We plan to start program registration at 9am, and start the programs at 9:30. You may come as a guest for \$10, but you can join Gold Rush for \$15 for the entire year, and we strongly encourage joining PSA for additional benefits, including a free first-year Gold Rush membership!

An RSVP to susan_bovey@yahoo.com would be helpful for our planning if you're sure you're coming. We have lots of exciting program ideas for upcoming years, and welcome all to enjoy the programs, your fellow photographers, and some interesting shooting opportunities.
