**“Living in The Greater Sacramento Area”
Print Competition for all Club Members.
June 12, 2018 Print Program**

Sierra Camera Club is sponsoring a new print competition for all club members. Judging will take place at the regular SCC meeting on June 12, 2018

You may enter up to 2 Creative, 2 Monochrome, and 2 color for a total of 6. The theme: “Living in The Greater Sacramento Area”

The prints will be judged and the winning images will be hung for public viewing. Judge Awards: There will be Best in Show, 1st, 2nd, 3rd, and 2 honorable mentions in each category: Creative, Monochrome, and Color.

The images should be taken in the greater Sacramento Area. Including but not limited to local attractions, scenics, landmarks, people, or animals to name a few. Images can have been taken at any time; however they cannot have received 12 or 13 points in a print competition.

We will have some Sacramento Area meetups throughout the months leading up to the competition. If you have any ideas for Sacramento Area meetups contact Jim Berger at ireneberger@ymail.com. We look forward to hearing your ideas.

The entry fee is \$5.00 for 1 or 2 images or \$10.00 to enter 4-6 images. The fee will be paid when you bring your matted images to the competition. The fees will be used for cash prizes.

Jpegs must be sent in by June 1, 2018. Send to **Jim Berger at ireneberger@ymail.com and Jan Lightfoot at comeflywithme@sbcglobal.net** For the jpegs use the club’s regular image resolution 1920 X 1200 pixels at 100 dpi, sRGB Color Space. See guidelines for prints in the SSC handbook or the SCC web site.

Bring your matted images on Tuesday June 12, 2018, along with the entry fee. Prints must be mounted and matted. More information for sizes, mounting and matting will be presented at a meeting prior to the Competition.

This will be a wonderful opportunity to show off the great area we live in, and our club member’s talents.
