**“Living in The Greater Sacramento Area”
Print Competition for all Club Members, June 12, 2018**

Sierra Camera Club is sponsoring a new print competition for all club members. Judging will take place at the regular SCC meeting on June 12, 2018

You may enter up to 2 Creative, 2 Monochrome, and 2 color for a total of 6. The theme: “Living in The Greater Sacramento Area”

The prints will be judged and the winning images will be hung for public viewing. Judge Awards: There will be Best in Show, 1st, 2nd, 3rd, and 2 honorable mentions in each category: Creative, Monochrome, and Color.

The images should be taken in the greater Sacramento Area. Including but not limited to local attractions, scenics, landmarks, people, or animals to name a few. Images can have been taken at any time; however they cannot have received 12 or 13 points in a print competition.

We will have some Sacramento Area meetups throughout the months leading up to the competition. If you have any ideas for Sacramento Area meetups contact Jim Berger at ireneberger@gmail.com. We look forward to hearing your ideas.

The entry fee is \$5.00 for 1 or 2 images or \$10.00 to enter 4-6 images. The fee will be paid when you bring your matted images to the competition. The fees will be used for cash prizes.

We have a Judge for the Greater Sacramento Area Competition. His name is Kurt Fishback. Kurt is an American Photographer whose father was Glen Fishback a noted photographer who worked with Edward Weston, Ansel Adams and Wynn Bullock. Kurt’s photographs and other mediums, such as, Ceramics, sculpture, and paintings have been exhibited internationally since 1961.

I am working on putting together some great meetups for this competition. If you have any ideas or suggestions about great places to photograph in the Sacramento area, please let me know.

Let’s make this a great representation of the area we live in. The Sacramento area has many wonderful places to explore and photograph.

Looking forward to seeing you in the field.

Jim Berger, Print Director
