NATURE AND WILDLIFE

Truman Holtzclaw APSA, Susan Bovey, Jim Cunningham

COLOR OPEN, COLOR CREATIVE,
MONOCHROME

Dean Taylor, Dave Robertson, Tom Frazier

Gold Rush

**Sunday, Sept. 23rd
Abstracts & Wall Art**

Location Eskaton Lodge 3225
Freeport Blvd. Sacramento

Registration begins at 9am.
Guests \$10, Gold Rush members
free. Dues \$15 per year, can be
paid at the meeting.

You're invited to this interesting program, followed by
lunch **and** a WALL ART SHOOT!

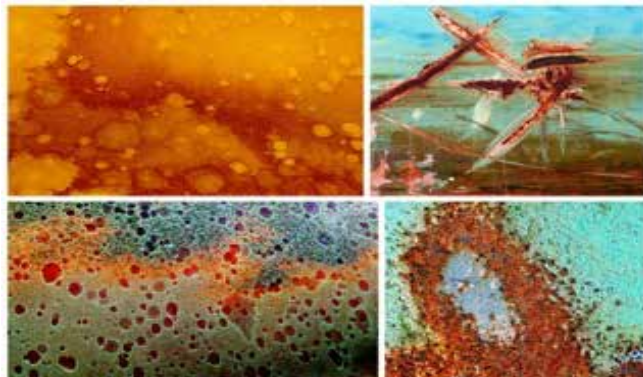

Gold Rush is a Chapter of PSA (Photographic Society
of America) that has provided quarterly day-long
photography programs in Sacramento for many years.
Gold Rush is changing its format to offer photography
programs in the morning, lunch from 12-1 at a nearby
restaurant, followed by photo shoots at locations
suggested by the morning program. **BRING YOUR
CAMERA!** At the next program you'll have an
opportunity to show your work from this shoot!

The first program will have 2 presenters. Meg Sloss,
who has a eye for details that many people miss, will be
presenting her photos. Also presenting is Anne Miller,
a well-known local photographer who loves all kinds of
abstracts. Her work
is represented at the
Davis Artery and
Viewpoint Gallery.
As a bonus,
we'll show wall-
art images from
David Robertson
and Andy Tolsman.

Registration will begin at 9am, and the program at
approximately 9:30. We'll break at 12 for lunch at a
nearby restaurant, and re-gather at 1:15 at a convenient
parking place to carpool to the shoot sites. Maps of the
sites will be provided.

For more information and to RSVP if you're sure
you're coming (for our planning), please contact Susan
Bovey at susan_bovey@yahoo.com or (530) 219-0955.
Looking forward to seeing you there!

**General Meeting Program
Tuesday September 11th, 7pm
Presented by Paulo Oliveira**

***Advanced Photoshop Selection Techniques.
How to extract subjects from a background.***

In this course you will learn how to use various Photoshop selection tools and techniques to isolate a subject from its background. Proper and accurate selection is an essential skill when compositing images and in product photography. We will look at several image extraction examples. The example images will be emailed prior to the course date, so attendees can follow-along on their computers should they wish to do so.

Also, feel free to email an image you would like us to work on and - time permitting - we will process it live towards the end of the class.

If you wish to bring your laptop, let me know so we can set up tables for you. This sounds like a great evening, I am really looking forward to it.

Thank you, Donna Sturla, General Director

**Lens & Camera Demo Day
at Sacramento Zoo
Sunday, October 14th, 2018, 9-4**

Try the most exciting new cameras, lenses and accessories from leading camera manufacturers including Canon, Nikon, Olympus, Panasonic, Sony, Fuji, Tamron lenses, Sigma Lenses and ProMaster accessories.

Best of all, All demo loaner gear for the test drive is FREE! You do need to pay the entry fee if you are not a zoo member

Read all the information at: mikescamera.com

**Note from Your Board
Judges**

Every few years we remind our members that our judges are volunteers. Judging is a difficult job. We want the judges to feel welcome and appreciated. We ask that you please follow these guidelines.

1. Do not make comments during the judging.
2. If you have any complaints wait till the next day and send an email to the director. Never complain to the judge. We have had judges refuse to come back after members complained to them after the judging.

Thank you to Mike's Camera for their support of Sierra Camera Club, by printing the Grammagram.

Mike's offer a full line of cameras, equipment and classes. They still sell film and do film processing, printing and framing. Mike's can be found at <http://mikescamera.com>.

Store located at 22nd & J Streets in Sacramento.
