Sierra Camera Club Competitions

Online Competition. *Due to the Coronavirus* we will not meet at The Shepard Garden and Arts Center. Competition will be conducted online using Zoom. All members will receive (via email) a link that will allow them to attend the meeting.

How to preparing images before sending by e-mail:

Please format your images as follows: images with pixel resolutions not exceeding 1920 (Width) x 1200 (height). 100 dpi

File name format: Last Name First Name Image Name. With spaces where needed.

For Your Name please use upper and lower case (not all caps). Same for the Image Name.

Send your images to the Division Director and the Assistant.

The Opossum is able to withstand up to 80 Rattlesnake or Coral Snake bites. Thanks to him, there is an Antidote to poisonous snake venom. Please don't kill them!
They don't get Rabies and they eat Ticks.. They're your friend ❤️

Hi,

This blank page could have an interesting article about photography, places to visit or new equipment, books or other information you would like to share with members.

As your Grammagram Editor I welcome your ideas and input.

It is nearing the end of the year. I will be doing a 2021 handbook so please go to the SCC web site and renew your membership. **sierracameraclubsac.com** Be sure your information is up to date. It would be nice in these days of less personal contact if members would send me a head shot to put next to your name in the SCC Handbook. This is printed and **not** on the web.

Thank you,

Gay Kent

Gammagram Editor

Thank you to Mike's Camera for their support of Sierra Camera Club, by printing Grammagram
Mike's offer a full line of cameras, equipment and classes. They still sell film and do film processing, printing and framing.
