Shepard Garden and Art Center Fall Sale

Oct. 7 & 8, 2017 10 am to 4 pm

Set up Fri. Oct 6 from 11 AM - 2 PM

Here is your chance to sell your photos and personally hand-crafted items at a well-attended and well advertised event. Last year the Fall Sale collected \$328 (of which \$77 was donated to SCC.) Compare this to \$110 of sales at this year's Spring Sale. Obviously attendees are in the mood to shop in the Fall! This is a great opportunity to meet people interested in your photos and crafts, sell your art, and buy art, crafts, and plants from other booths (who can resist!).

If you want to participate or have greeting card spinners, etc., to loan, please let me know. We will be setting up the space starting at 11 on Fri. and be doing last minute rearranging before the opening on Saturday. Volunteers are welcome.

The Only Fundraiser for Sierra Camera Club! We Sponsor the North American International Exhibition Last day to enter Oct, 27. Enter early to help the committee.

You can help us! We need your participation NOW!

Our 2017 North American International Exhibition is now open and accepting entries for all divisions: Color, Creative, Monochrome, Nature and Wildlife, and the NAIE committee would very much appreciate not only your participation; we would like you to submit entries as soon as possible if you can!

We need entries now so that we have an opportunity to fine tune our entry procedures.

Judging takes place on November 4-5, and there will be a flurry of activity starting next month, so ANY HELP you can give us by submitting entries now will be very much appreciated. Last year's first International Exhibition was very successful and we want to make it even better this year!

In addition to the PSA awards posted on the website, there will be 1st, 2nd and 3rd awards in each division JUST for our participating SCC club members. Only \$7 per division for up to 4 entries in each division!

Attention Sierra Camera Club Photographers

And a special welcome to our New Members.

Invitation for Nature Competition on Thursday, October 5.

Now it's time for all of us to enjoy your Nature photography. Our judge is enthusiastically looking forward to judging our entries.

Please send up to two images to both Mel Wright at wrihton63@sbcglobal.net and Kristian Leide-Lynch at kristianleidelynch@hotmail.com. If you missed entering the August 3 Nature competition this year, we encourage you to submit two additional images.

The DEADLINE FOR SUBMITTALS is midnight, Monday October 2.

Include the file names of entered images in the body of the email because sometimes the file names get dropped between the different mail clients and/or MAC/PC. Include the location where the photo was taken to help us verify the flora and fauna in your entry. It is suggested that you CC yourself so you can see what arrives as your submittal.

Follow this guideline for formatting and labeling a Nature image:

IMAGE LABEL: Last Name space First Name space Image Title (try to keep title to 35 characters or less) Can use upper or lower case but NO DASHES, COMMAS, OR SLASHES.

For Example: Wright Mel Lupine Along American River

FORMATTING: Image Size: 1920 pixels wide x 1200 pixels high at 100 dpi (width not to exceed 1920 and height not exceed 1200) Color Space: sRGB File Format: jpeg

Images or versions thereof that have received a score of 12 or 13 in Nature, General, or Travel (Singles) are not eligible for submission. Images with scores of 11 or lower are eligible.
