President's Message

Hello All,

As the summer comes to a close, the fall season starts showing it's colors. Always a treat for photographers.

This month includes a print competition on Thursday, September 4th and a special program night treat just for our club members on Tuesday September 9th. Gary Cawood has arranged a special evening of photographing at the California Automobile Museum. Keep an eye out for more information and hoping to see you there. Remember, we will not be meeting at the Arts and Garden Center that night. And thanks to Gary for arranging this.

Presently, the big news has been us getting closer to choosing a new and improved projector. Thank you to all who have been giving input and working toward this goal. We are hoping to have this wrapped up in the next month or two. We will keep you all in the loop and, if you have any questions or input, please be sure to let the board know. Cheryl Glackin, Mike McHaney and Kristian Leide-Lynch are the best contacts regarding this.

Please support your club by considering becoming part of our board for the 2015-2016 term. We will have a few openings and are looking for your support. Elections are in November and that is just a few months away. Please get in contact with me or Glen Cunningham for more information. Keep on Clicking,

Jeannie O'Brien, President

California Automobile Museum

For the September Travel Program, we are going to the museum for a shoot. We will have access to the Museum from 7:00 PM to 9:30 or 10:00 PM that night. **(No General Meeting)**

Our host, Bill Millard, and several docents, will be there to assist in our photography efforts. Bill is a great photographer himself who likes shooting travel/landscape and automotive portraiture images. You may remember his presentation at a club meeting.

The museum would like copies of your best work for their advertising purposes. You will be credited with the photo if it is used by the museum.

I will collect the better images after the event and get a CD of the images with credits to Bill.

There will be a pre-museum "meet-the-museum-host" dinner at Shanghai Garden Restaurant before the shoot. We will start this dinner at 5 PM in order to finish before 6:30 thus allowing time for the drive to the museum. It will provide an opportunity for you to meet Bill and ask questions about the museum and the shoot.

We will pay the standard entrance fee to use the museum that night.

Admission Prices:

\$8 General

\$1 Off for senior (65+) and AAA members
