SCC Print Show at Viewpoint Gallery

This is to let you know that the SCC exhibit at Viewpoint, in honor of our 85th anniversary, is put together. We have 40 prints ready at the gallery waiting to go up on the wall in November. They include two images each by Bob Hubbell and Chuck Pivetti, both recently passed away, as a way to honor their creative and other contributions to the club. The images in the exhibit are online at the Viewpoint website (this page is not available to the general public until the exhibit opens in the gallery):

<https://www.viewpointgallery.org/exhibit-images/62659>

The exhibit will run in the Step Up Gallery from from 10 November through 4th of December. Please come take a look - Viewpoint's open hours are Wednesdays through Saturdays 12 Noon to 5 PM, and there will be a **2nd Saturday reception open to all on 13 November from 3 to 7 PM.**

There will be a **"3rd Sunday" Artist Reception on 21 November from 2 to 5 PM** for both our exhibit and the one in the main gallery. This will be a nice opportunity for club members to meet up and chat in person after a year and more of Zooming. Put it on your calendars!

By the way, ahead of this exhibit. **Through November 7th Aaron Vizzini has an excellent exhibit of his photography** going on in the Step Up Gallery which is definitely worth a visit.

Best regards,

Gert van Ommering

Thank you to Mike's Camera for their support of Sierra Camera Club, by printing the Grammagrams.

Mike's offer a full line of cameras, equipment and classes.

They still sell film and do film processing, printing and framing. Mike's can be found at
