Sierra Camera Club  
April 7, 2022 Program  
7 PM-Zoom

Sam Shaw will be our presenter for our April 7, 2022 program. Sam is well known in photography circles as an excellent photographer and a master of creative images. The program will be by Zoom only and will start at 7 pm. A Zoom notice will be sent out separately.

Sam's description of the two programs he will be presenting follows:

1<sup>st</sup> program: "A Year In The Eons of Yosemite"

The first year that I retired I decided to go to Yosemite every month for the first year and put a program together showing the changes in Yosemite from month to month. The program is 48 minutes long and consists of 475 images.

2<sup>nd</sup> program: "From The Eyes and Mind of Sages II"

The program is an extension of my first "From the Eyes and Mind of Sages" and is along the same format. Various Pictorial (Eyes) and Creative (Mind) subjects are melded into a single ProShow presentation with music and narrative (where appropriate).

President  
Charlie Willard  
presenting Service  
Award  
to Pat Honeycutt
