Additional Camera Club Opportunities

by Gay Kent

Our Judge from last months General Competition is from the Northern California Council of Camera Clubs know as N4C.

N4C is a member of the Photographic Society of America (PSA) and its local chapter, Yerba Buena. Currently 16 member camera clubs from the Bay Area and beyond belong. We have the opportunity to join this organization.

There is a history of Sierra Camera Club and other clubs in the Gold Rush Chapter of PSA working with N4C in the past.

They sponsor workshops, weekend conferences, photo competitions and more. I have attended some conferences including FotoClave which was held at the Asilomar Conference Grounds in Pacific Grove.

They sponsor a next level of competition against other club winners. There is a newsletter and other photography resources.

This opportunity was presented to our board at the last board meeting. Here is a link to their web page if you would like to know more about it.

Let a board member know if you would be interested or want to know more about it.
