NEVADA WIER

in Two Zoom Presentations
Saturday, May 7, 1:00 PM

- **Creative Travel Photography**
Saturday, June 4, 1:00 PM
- **Critiques of Images sent in by viewers**

Nevada Wier is a preeminent, world-renowned travel photographer. We are asking our viewers to contribute \$10 each to help offset N4C's expenses towards her fee. To join the first meeting on May 7, you will be requested through Eventbrite for that amount. If you are not already a member of Eventbrite (which is free), you will be asked to register. The critique session is at no cost, so please use the regular zoom link to register for June 4.

CREATIVE TRAVEL PHOTOGRAPHY

Travel photography requires the combination of technical expertise, culture competence, intuitive awareness, curiosity, and a dash of panache. Nevada shares her tips on how to photograph more insightfully and creatively, even in some of the harshest light, to create beautiful images you know exist and your mind imagines, but your technical expertise is lacking. Nevada dissects ways to see more creatively and "photographically", as well as tips on using color powerfully. In this intensive online seminar she also discusses how to approach and photograph people in foreign lands to create natural, respectful, and unique portraits.

BIOGRAPHY
